COOR ISD provides programs and services with our partners to support the current and emerging teaching and learning needs of our schools and communities.

Mission Statement

We Believe

- education is a value for all – in school and in life.
- operating with fiscal integrity and transparency is an essential function and responsibility.
- in collaboration to provide quality programs and services to all stakeholders.
- promoting a positive professional image and increasing public awareness will strengthen our partnerships in the communities we serve.
- in expanding resources and networking to strengthen our programs and services.
- in utilizing available data to enhance instruction and learning outcomes.
- in the value of stakeholder input.
